Environmental Policy

1. Our Commitment

We are committed to reducing our environmental impact and operating responsibly. We aim to make practical, cost-effective choices that minimise waste and support sustainability.

2. What We Will Do

Reduce waste wherever possible and recycle materials responsibly

Use energy efficiently (lighting, heating, equipment)

Minimise paper use by working digitally where possible

Source products and materials with environmental considerations in mind

Work with suppliers who demonstrate responsible environmental practices

Reduce unnecessary transport and packaging where feasible

3. Staff Responsibility

All staff are expected to:

Follow this policy in their daily work

Avoid waste and use resources responsibly

Suggest improvements where possible

4. Continuous Improvement

We will review our environmental impact periodically and make improvements where practical.
